U.S. Climate Change Litigation Brought in 2017

Figure 1. Distribution of 2017 Climate Change Litigation Categories (% of Cases)

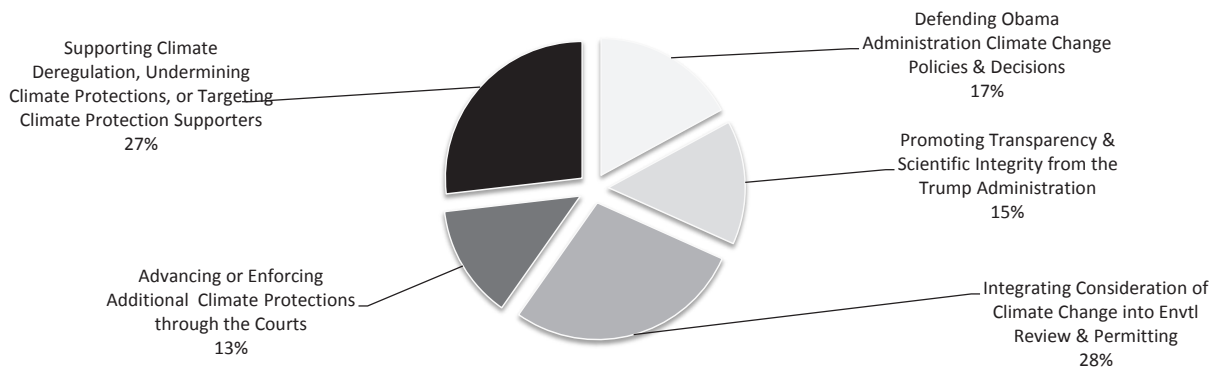

Figure 1: Cases were assigned to a single category. Gray indicates "pro" cases in favor of climate-related protections and black indicates "con" cases opposing climate-related protections.

Figure 2. Plaintiff/Petitioner Involvement

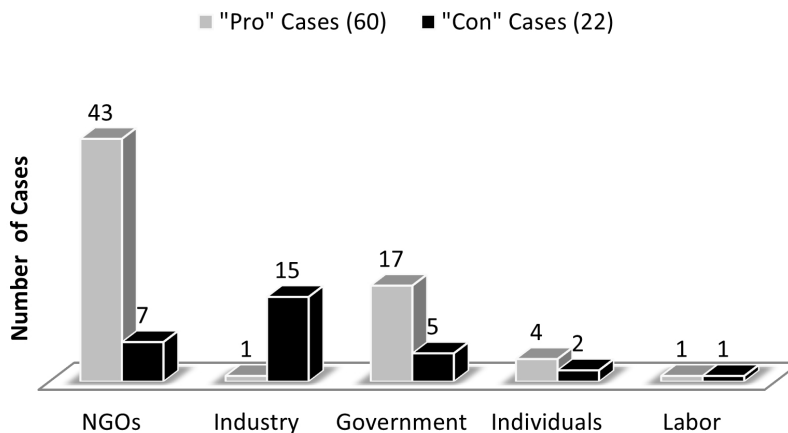

Figure 2: The numbers add up to more than the total number of cases because there are multiple parties in many of the cases.
